Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An introverted professional or student attending complex, fast-paced technical networking mixers.	Comfortably start conversations, build meaningful professional relationships, and seamlessly connect with industry leaders.	I struggle to think of relevant icebreakers, topics, or themes on the spot based on the raw event description.	I lack immediate contextual knowledge across diverse tech domains and find it difficult to pitch my alignment with my specific interests under pressure.	Anxious, disconnected, and overly stressed about missing critical professional opportunities.
