

Team Involvement in Demonstration

Date	15 March 2024
Team ID	XXXXXX
Project Name	Personalized Networking Assistant
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Mahanthi Peetha	Team Lead & Presenter	Project Introduction, Objectives, Problem Statement	Introduced the project, explained its objectives, coordinated the demonstration, and concluded the presentation.	Active
2	Srinija Sudabathula	System Architect	System Architecture & Technology Stack	Explained the FastAPI backend, Streamlit frontend, DistilBERT, GPT-2 integration, and overall application workflow.	Active
3	Pirati Harsha Sri	Application Demonstrator	Live Feature Demonstration	Demonstrated event theme extraction, AI-generated conversation starters, Wikipedia fact verification, and user interaction	Active
4	Polagani Likhitha	AI Module Presenter	AI Models & Core Functionalities	Explained the working of DistilBERT zero-shot classification, GPT-2 text generation, and AI-based personalization.	Active
5	Madhav Challa	Testing & Documentation Presenter	Testing, Feedback System & Future Scope	Demonstrated the JSON-based feedback mechanism, discussed testing results, scalability, and future enhancements.	Active
6	Entire Team	Question & Answer Session	Project Discussion	Collaboratively answered evaluator questions, clarified implementation details, and discussed technical decisions.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Mahanthi Peetha coordinated the project development, task allocation, documentation, and final demonstration schedule.
Overall Team Coordination Rating (1-5)	5 / 5 – Excellent teamwork, effective communication, and timely completion of assigned responsibilities.
Any issues during demo	Minor timing adjustments were required during the transition between presentation sections, but no technical issues affected the demonstration
How issues were resolved	Team members coordinated effectively, followed the predefined demo sequence, and provided smooth transitions between sections to ensure a successful presentation.
